Revised 3/2013

Montana Organic Association
PO Box 570
Eureka MT 59917

Advocating and Promoting Organic Agriculture
for the Highest Good of the People,
the Environment and the State's Economy

*If you Care
about the Future
of Organics...*

Join the organization that supports the Montana organic farmers, ranchers, processors, retailers, certifiers and researchers who bring healthy and clean food to our tables while protecting the Earth's natural resources.

The Montana Organic Association is the voice of Montana's organic community. MOA is a nonprofit organization that provides education, information, support and representation for those who work, or aspire to work, in organics. MOA works pro-actively to:

- Support organic research to help farmers and ranchers continue to meet organic production challenges.
- Aid farmers and ranchers making the transition to certified organic production.
- Educate the public about organic standards to help them make informed food choices.
- Work collaboratively with other organizations to achieve MOA's mission.
- Promote a robust National Organic Program that strengthens farms and ranches through meaningful and coherent regulations.
- Provide networking opportunities.

*Advocating and Promoting
Organic Agriculture for the
Highest Good of the People,
the Environment
and the State's Economy*

*We love Montana
and the organic way of life.
That's why we live
and work here.*

Keeping organic farming and ranching viable is one of the best ways of preserving our connection to the natural beauty of Montana's open spaces, plentiful natural resources, abundant wildlife and numerous outdoor recreational opportunities.

Your membership will help assure that the beauty and diversity of Montana's natural resources remain for generations to come. When you join MOA, your membership benefits include:

- Educational Events – tours of organic farms, ranches and businesses.
- Political Leverage – representation of your interests in politics, schools and governmental agencies.
- Networking and Contacts – opportunities for producers, handlers and consumers to work together, to learn from each other and to form positive relationships.
- Quarterly Newsletter and Website – the latest in organic news, resources, certifications, events, notices of discounts, MOA's on-going work and member profiles.
- Annual Conference and Meeting – with informative and motivating speakers, workshops, panel discussions, great food and lively entertainment.
