

### Support the 22nd Annual Conference

MOA plans an annual conference that covers a variety of agricultural disciplines, interests, and organic viewpoints. MOA conferences offer workshops, panel discussions, great food, entertainment, and informative, nationally recognized guest speakers. The MOA Annual Conference & Meeting is a time for members and vendors to renew friendships, listen to motivating and educational speakers, meet new customers, display organic wares, elect board officers, and attend to MOA business.

Support the conference by hosting a vendor table at our tradeshow, becoming a sponsor, purchasing an advertisement in the conference program, becoming a food supplier, donating an item or service for our fundraising auction, or even volunteering.

MOA is strong because of the participation and support of its many outstanding members, sponsors, advertisers, and friends. Get involved today!
